Safe Technology & Digital Citizenship

- Questions: do we know the answers as council members?

- What happens to students when they do not follow safe technology? They lose technology privilege.
- 2 filters on Google
- Possible parent night to educate parents on safe internet
- No parent concerns about school
- What Apps might possibly hide inappropriate material etc. or get past filters
- Use community and possible church groups to help parents be educated
- Survey about parent concerns etc. about technology and safe technology (filters, etc)
- Maybe use district people to help parents

Current Expenditures

- Nothing really new
