

Canyon View Middle School Community Council Meeting Minutes

January 20, 2011

Those in Attendance:

Conrad Aitken
Laura Taylor
Tammy Hulet
Suzi Gatherum
Sandy Smith

We will tour accelerated classroom, no teacher on Thursday's and Friday's. See other teachers will show us mimeos. Discuss drop-up in mornings, maybe paint solid yellow line to indicate drop-off against curb only. *Compliment June Miller for going to the end of the line for lunch. Some teachers just butt in line. (Kids notice if teachers are rude.)

Mr. Aitken wants problems brought to his attention. If a concern about a teacher's behavior has been brought up, please tell Mr. Aitken.

Went to Mr. Meisner's class and saw Mimeo in use. Separate writing pad was very useful and helpful.

Decide on budget next meeting. Survey teachers. Next meeting to be March 17 – third Thursday at 1:30.
