

1. Elmo's?
2. Document cameras!
3. Training for the Mimios, Elmos in the classrooms, and a skills (behavior) program.
4. I think acceleration is very important. I personally miss the skills program as well for some of our sweeties?
5. Keep on as has been done. Kudos for the late buses!
6. We will be very grateful for the \$1,000 for science! Thank you :)
