STUDENTS ELIGIBLE TO ATTEND

We are fortunate to live a short distance from one of the many ski resorts in Utah. Canyon View Middle School promotes exceptional student learning and provides various opportunities to reach educational success. The Brianhead ski trip is a physical education activity offered to students who are currently or have earned a passing grade and citizenship in classes. Students must also be passing all current classes (NO D's, D-'s, F's, N's or U's) at the time of the scheduled ski trip.

1. Students will not be eligible to attend if they have a D, D-, F, N, or U in any of their current courses. (Grade check will be after school on Feb. 9).
2. Pick up and complete proper paper work.
3. This is a Brianhead packaged deal at \$35.00. This fee must be paid to Mrs. Mounteer in A Hall. Attach receipt to this handout before giving to Mrs. Killian or Mrs. Knight.
4. Students need to have all student fees paid or have completed the proper fee waiver paperwork.
5. Return paperwork to Mrs. Killian or Mrs. Knight by **DEADLINE DATE**.
